GO MUSTANGS

A YEAR OF COMMUNITY

MUSTANG FAMILY,

On behalf of the Executive Board, I extend our sincere thanks to all who supported the DCG Booster Club in 2025-2026. Whether you were a member, volunteered your time, attended events, or made a donation, you played an important role in making this past year a success.

Our Booster Club is special because of the incredible community that stands behind our students. Sponsors, donors, volunteers, members, and fans all share a common goal: Supporting our DCG student-athletes as they learn and grow both on and off the field. Our community's generosity allows us to invest in many meaningful initiatives that align with our support for DCG athletics.

As we look ahead, I encourage you to engage with the tradition we're building at DCG. Attend a game you've never been to before. Invite a friend to join you at a Booster Club meeting. Volunteer for an event. Wear your Mustang gear with pride. Most importantly, continue showing our students what it means to have a community that believes in them.

THANK YOU FOR YOUR COMMITMENT, GENEROSITY, AND ENTHUSIASM. TOGETHER, WE ARE "FUELING THE STAMPEDE" AND CREATING OPPORTUNITIES THAT WILL IMPACT OUR STUDENTS FOR YEARS TO COME.

GO MUSTANGS!

ATHLETIC TRAINING FOR STUDENTS

Thanks to your support, the DCG Booster Club was able to fund the contract with Athletico for on-site athletic training services. This investment ensured services for every DCG team and individual athlete.

Kayley Crilly, MAT, LAT, ATC
DCG Athletic Trainer, Athletico

One of the greatest resources we are able to provide our student-athletes is access to a dedicated athletic trainer. Our athletic trainer plays a vital role in the health, safety, and success of our programs by providing injury prevention, evaluation, treatment, rehabilitation, and return-to-play support for our athletes throughout the year. Beyond the physical care she provides, she is a trusted resource for coaches, families, and students while helping ensure our athletes can safely compete at their highest level.

A brand-new scoreboard is coming to our stadium! We've pledged **\$200,000** toward this update to enhance visibility, sound quality, and fan engagement.

2 NEW NUTRITION PROGRAMMING FUELING PERFORMANCE

A new agreement with Ellen Davis of The Performance Collective, will provide ongoing sports nutrition education and resources to students. Partnering with Mustang Performance, students will learn the best ways to fuel their bodies for maximum performance. We've pledged **\$9,600** toward this program.

3 MORE SPIRIT OPTIONS SHOP THE DCG LETTERMAN LOCKER

Last fall's launch of the DCG Letterman Locker online fan store helped us raise **\$4,000** this past year!

The spirit continues, with new styles, new designs, and more ways to represent DCG. Be sure to check it out at dcglettermanlocker.com
